

CHAPTER 5.00 - STUDENTS

CHILDREN OF MILITARY FAMILIES

5.18+

When the district is notified that children of a military family are enrolling, the following procedures will be followed in order to remove barriers that would inhibit their educational success.

- (1) Guidance counselors will use the current student progression plan for enrollment.
- (2) The district will follow enrollment, eligibility, placement, attendance and graduation guidelines as provided in the *“Interstate Compact on Educational Opportunities for Military Children.”* This booklet will be maintained by the Director of Student Services.
