

CHAPTER 5.00 – STUDENTS

ATHLETICS

5.80+

- (1) Each school may establish a board of control for athletics to include the school principal, instructional staff members, the athletic director, and any other member deemed appropriate by the school principal.
- (2) All District high schools and schools with middle grades shall be members of the Florida High School Athletic Association, Inc. (F.H.S.A.A.) and shall be governed by the rules and regulations adopted by F.H.S.A.A. Students who participate in athletics shall meet eligibility requirements established by F.H.S.A.A. and the School Board. Membership dues will be paid from the internal accounts of each respective school.
- (3) Students practicing or participating in any type of interscholastic athletics shall provide proof of accident insurance covering medical expenses of any injury sustained in a sport. The principal shall be responsible for obtaining proof, as evidenced by a copy of the insurance card and a signed statement from the student's parent(s), as defined by Florida Statutes, of the student's insurance prior to practice or participation in interscholastic athletics. Such insurance may be made available to the parent(s) through the school, or the parent(s) may submit evidence that insurance has been provided through another source.
- (4) No student shall engage in practice or participate in any interscholastic game without the written permission of the student's parent(s) or legal guardian and a current physical examination as required by Florida High School Athletic Association being on file.
- (5) No student shall be a candidate for an athletic team or a participant in athletic competition without filing an informed consent signed by his/her parent(s). The consent must explain the nature and risk of concussion and head injury as required by law. The consent must be filed annually prior to participating in any physical activity related to athletic competition or candidacy for an athletic team.
- (6) A student athlete who is suspected of sustaining a concussion or head injury in a practice or competition shall be removed from play immediately. The athlete may not return to play without a clearance from appropriate medical personnel.
- (7) Pursuant to Florida Statutes licensed medical personnel who act as volunteers for school events and agree to render emergency care or treatment shall be immune from civil liability for treatment of a participant in any school-sponsored athletic event, provided such treatment was

rendered in accordance with acceptable standards of practice and was not objected to by the participant.

- (8) An automatic external defibrillator (AED) will be available for use, if needed, at every preseason and regular season interscholastic contest and at every FHSAA state championship series contest. Staff will be trained to use such equipment. Procedures for use of the AED are on file at each school and at the district office.
- (9) All students shall be subject to all School Board rules and to the Code of Student Conduct while attending athletic events and practices.
- (10) In order for a student to be eligible to participate in interscholastic extracurricular student activities, he/she must meet all of the requirements established by the Florida High School Athletic Association consistent with Florida Statutes and maintain satisfactory conduct, as defined by the District Code of Student Conduct. If a student is charged with committing a felony on/off School Board property, the appropriate due process procedures will be implemented prior to suspension or expulsion from school and/or denial of participation in extra-curricular activities.
- (11) A report of alleged violation of this standard of conduct shall be submitted to the principal or his/her designee for investigation. If the principal or his/her designee determines that a violation has occurred, the student and his parent shall be notified in writing, of the suspension from school sponsored extracurricular activities.
