The meals currently being provided at the various sites around Washington County will continue until the last day of the school year on Friday, May 22, 2020. The Washington County School District will begin our traditional Seamless Summer feeding program on Wednesday, May 27th and it will run through Thursday, July 30, 2020. We will be providing breakfast and lunch on these dates Monday through Thursday from 10am to 1pm. Please know that these meals are available for all students age 18 and under. Students should be present to receive a meal. In the event the student is not present, parents/guardians may be permitted to pick up meals on behalf of a child or children by presenting a form of valid child identification such as school identification card, child’s passport, government issued child identification card, or any document proving parent/guardian identity and relationship to the child, such as an adoption decree; doctor, clinic, or hospital record; religious record; or daycare center record. School rosters may also be used to verify eligibility.

The following sites will be used to distribute the meals: Kate Smith Elementary School, Vernon Elementary School, TJ Roulhac Enrichment Center, and Yes Lord Deliverance Church.
